

NURSE NICE

In Brief: Head Nurse at Chailey Heritage Foundation.
Costume tip: Nurse's hat, nurse's watch.

Notes for the Actor: Play her/him as a truly lovely person who is utterly reliable. A little bit meek and humble, and eager to keep the peace. S/he knows about Ronnie's flirting and doesn't worry, because Ronnie always comes back.

To the Outside World: Nurse Nice loves everybody. They haven't got a bad word to say about anyone, and they believe in the innate goodness of humanity. They can't bear any hint of disagreement or falling out.

The Hidden Truth: **DO NOT REVEAL UNLESS YOU ARE DIRECTLY ASKED**

- They have a serious teapot collection habit which is bankrupting them.
- They never, EVER would consider making tea in a mug.
- They have also been married (or Civil Partnered) to Doctor Ronnie Raunchy for 20 years, but nobody else knows this.

Introductory Sentence: Oh, hello, er, yes, I'm Nurse Nice. I don't actually have a first name, because I'm not very important in the grand scheme of things, hahaha. I love cats, tea and knitting, and I've worked here for a long time. Dear me yes, a very long time. But never mind me, let's talk about you!

Clue: When prompted please read out **Clue 8** from the Clue sheet.

You will be asked questions after each dialogue. Remember, when asked a question, you are encouraged to prevaricate, but you must not lie if directly challenged. You can bluster, act offended, cry, say that it's too painful to discuss, mislead, tell a long winding story, but you can't actually lie!

You can ask whatever questions you like; we have suggested some to get you started:

Questions to ask at the end of Part 1

Ask Sadie if she really knows Davey Rancid's real name. And what is it.
Sadie seems to dislike Belinda Bighead. Ask her why this is.

Questions to ask at the end of Part 2

Ask Davey if he really did grow up on a council estate.
See if you can get Davey to tell you anything about Leslie/ey's background.

Questions to ask at the end of Part 3

Ask Leslie/ey if s/he created the diversion that enabled the apple to be stolen.
Ask Leslie/ey if s/he's already handed over money to the blackmailer.
